

Management Accountant – Morley, Leeds

Beijer Ref UK is a leading refrigeration and air conditioning wholesaler, with a strong presence across the UK and Ireland. We are committed to delivering high-quality products, expert support, and outstanding service to our customers.

We are looking for a Management Accountant to join our finance team within a fast-paced wholesale business operating as part of a listed international group.

This is a key role responsible for delivering accurate monthly management accounts, supporting group reporting, and providing commercial insight to drive business performance.

The Role

Reporting to the Senior Accountant, you will lead the production of monthly management accounts and group submissions, while supporting financial control and decision-making across the business.

You will also manage and develop a small finance team, ensuring high standards of accuracy and performance.

What You'll Do

- Lead the month-end close process within strict reporting deadlines
- Produce monthly Board MI including P&L, Balance Sheet and Cash Flow
- Deliver clear variance analysis and commercial commentary
- Prepare group reporting submissions for international consolidation
- Own intercompany reconciliations across multiple entities
- Partner with Sales and Purchasing to analyse margins and drive cost control
- Take ownership of stock accounting, including valuation and reconciliations
- Support audit, VAT, and tax processes
- Review and improve financial controls and processes
- Manage and develop the Assistant Accountant and Accounts Assistants

What We're Looking For

- Part-qualified or fully qualified (ACA / ACCA / CIMA)
- Experience in a multi-entity or group reporting environment
- Strong understanding of management accounts and financial reporting
- Advanced Excel skills and strong analytical capability
- Commercial mindset with the ability to provide actionable insights
- Strong communication skills and ability to work with non-finance stakeholders
- Highly organised with strong attention to detail and ability to meet deadlines

Desirable:

- Experience in wholesale, distribution, or product-based environments
- Experience with Microsoft Dynamics 365 Finance & Operations
- Previous line management experience

About You

You are a commercially minded finance professional who enjoys working in a fast-paced environment. You take ownership of your work, are confident working to tight deadlines, and can translate financial data into meaningful insights.

You're also a supportive team leader, keen to develop others while maintaining high standards.

What We Offer

- Competitive salary
 - 25 days holiday per year, increasing to 30 days after 5 years
 - Pension scheme and life assurance
 - Employee Assistance Programme
 - A collaborative, values-driven working environment
